

A 21st Century Record Keeping Revolution for Montessori Education

Record keeping software designed specifically for Montessori educators teaching at all levels.

<p>How is computerized record keeping different?</p> <ul style="list-style-type: none"> > Faster record keeping, more free time > More accurate record keeping > Consolidates records in one place > Improves communication with parents > Access records at school, home or anywhere you have an Internet connection 	<p>How will MRX help me as a teacher?</p> <ul style="list-style-type: none"> > Track attendance > Track progress > Track communications with parents > Record anecdotal notes or observations for each student > Plan lessons > Define my own works / lessons > Design my own progress reports > E-mail reports to parents > Many other features 	<p>What are teachers saying about MRX?</p> <p>"Parent reports that use to take up to an hour to prepare are now ready almost instantly! Even more important, before MRX I did not have very complete records for my students."</p> <p>"It's so much easier to keep track of work the children have done and need to do. I feel more on top of things."</p>
<p>What is included with MRX?</p> <ul style="list-style-type: none"> > Assistance with initial setup > Training > Upgrades > Support > Backups > Online demonstrations available 24 hours a day. > The total cost is \$143.40, paid once a year per classroom. That's only \$11.95 per month for as many students and staff members in each classroom. 	<p>How will MRX help administrators?</p> <ul style="list-style-type: none"> > View all records in any classroom > Take attendance from the office > E-mail any staff or parent > Assign staff to classrooms > Assign students to classrooms > View school and class demographics > Generate mailing labels for staff and parents > Track staff personnel goals 	<p>"One of the best features of MRX is that you can customize it for you."</p> <p>"Dave has been extremely patient and helpful in answering all my questions. He has been very supportive. I know that just because he has sold me something that he hasn't forgotten about my satisfaction with his product."</p>
