**Your school will fall into one of these categories per MEPI's determination:**

**Bronze:** Basic membership. Montessori equipment and Montessori certified staff may not be present. MEPI will be available to help with preparing your school towards being a certified Montessori school. At this level, your school is not equipped to be an internship site for MEPI interns.

**Silver:** Has all of the required Montessori equipment and certified staff to provide a nurturing and learning environment for MEPI interns.

**Gold:** Accredited status, open to Silver members. A self-study and on-site verification visit are required.

**Additional Information:**

Please list your lead teachers:
